

# Jersey International Masterclasses

- Piano and Strings -

26th July 2013 to 5th August 2013

Patron: Vladimir Spivakov

Our goal is to provide world class education to students who want to learn from internationally acclaimed musicians and pedagogues. Our distinguished professors are experts in developing to the full the talent of modern-day, award-winning performers.

The Masterclasses take place in Jersey, away from the pressures of the outside world, students are able to learn and work in a relaxed, stimulating and contemplative environment.
